

CERTIFICATE of Appreciation

Nahom Debebe

In recognition of your exceptional talent, innovation, and dedication in developing high-impact software projects, including:

- Digital Attendance Management System
- Digital Comment System

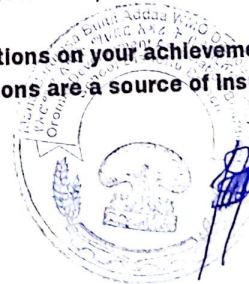

Your work showcases remarkable skills in programming, user-focused design, and problem-solving. These systems have demonstrated real-world value and reflect your forward-thinking mindset, technical excellence, and commitment to digital transformation.

✦ Congratulations on your achievement in software development! ✦
Your contributions are a source of inspiration and pride for the school.
